SLIDE

Contemporaneo ed elegante

Contemporary and elegant

Audacia ed armonia di un gesto estremo
portano ad una performance creativa
e sempre unica.

Dizziness and harmony, a design of extremes leads to a creative and always unique performance.

CON LA COLLEZIONE SLIDE, GLASS DESIGN SOTTOLINEA
LA PROPRIA IDENTITÀ ECLETTICA E CREATIVA.

Forme perfette con geometrie immediate, bordi sottilissimi (**4 mm**)
e infinite finiture ci hanno permesso di raggiungere
eleganza, lusso e contemporaneità.

Una formula concettualmente audace ed estrema che privilegia non soltanto la funzione
ma anche la creatività.

WITH THE SLIDE COLLECTION, GLASS DESIGN UNDERLINES ITS
CREATIVE AND ECLECTIC IDENTITY.

Perfect shapes and geometries, the slimmest of rims (**4 mm**)
and countless finishes result in a combination of
elegance, luxury and modernity.

Pushing technical boundaries with a formula that favours creativity
as well as functionality.

Estremo

IL BORDO PIÙ SOTTILE DI SEMPRE

4 millimetri che non lasciano il tempo allo sguardo di soffermarsi
e di scivolare lungo le perfette geometrie.

Extreme

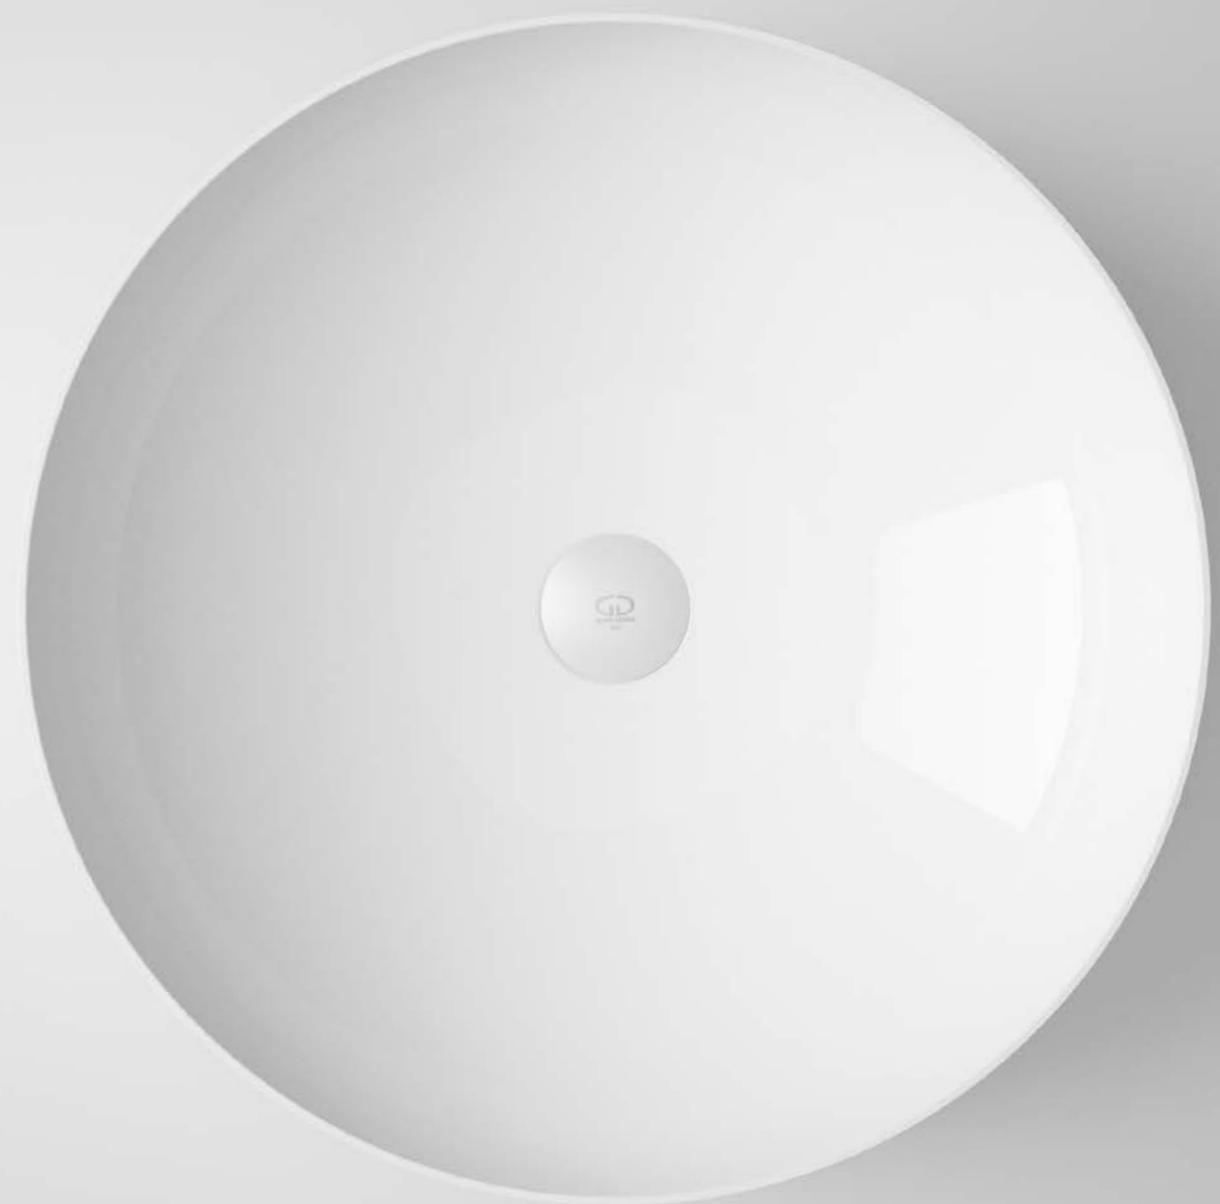

The slimmest of rims

A mere 4 millimetres so the gaze doesn't linger
but instead slides up and along the perfect geometries.

Armonico

PER NOI UN KARMA

In ogni contesto il privilegio dell'armonia
è l'obiettivo a cui non possiamo prescindere.

Harmonious

Our ultimate goal

In every context, the privilege of achieving harmony
is the ultimate goal to which we are bound.
